Please be advised that a wire will leave Chemical Bank [redacted] New York tomorrow, September 6, to your account Number 71100211, Bank of China, Beijing, in the amount of 10-thousand dollars US. If it is agreeable, I plan to pay the balance in two installments [redacted] using my company checks (Chemical Bank, New York, Account Number 115-002286). The first installment to be paid before leaving Beijing [redacted] in early October, the final installment to be paid before leaving ~~Beijing~~ China, at the end of filming. If this is not agreeable, please let me know [redacted] immediately so that we can make other arrangements. Thank you. [redacted]

Respectfully yours,
